

Board of Appeals & Equalization Meeting

Echo City Council

April 12, 2023

The Board of Appeals & Equalization Meeting was called to order by Mayor Jim Busack at 6:30 pm.

Present: Mayor Jim Busack, Councilman Mark Schettler, Councilman Darren Gjerset and Clerk/Treasurer Brian Pitzl. Yellow Medicine County Assessor, Connie Erickson, and Assessor, David Hammerschmidt.

Also Present: Sharon Hanson

Absent: Councilman Hanson and Councilman Larsen.

County Assessor Connie Erickson explained the changes in property values for the past year. Almost all values and taxes have been raised based on sales.

Jim Busack informed the assessor that he had a shed removed from his property. Due to conflict of interest due to Jim being a part of the city government, no change of value to his property was able to be made at this meeting and will be brought forth at the county meeting on June 27th.

Councilman Gjerset moved seconded by Councilman Schettler to adjourn the meeting. All voted in favor.

Mayor: James Busack

City Clerk/Treasurer: Brian Pitzl
